ANNUAL SANTA - TIMED EDITION

The 2001 Santa - "Knackered Nick" - showed Santa flat out on his bed after another busy Christmas. A decade ago, he was especially tired after reading the population had reached 6 billion. Now in 2012, Santa has discovered the population is 7 billion! The thought of adding all those new names to his Rolodex has knocked him for six. Has he or has he not taken a way out? One reindeer checks his pulse, another reaches for the first aid box, and another nurses a gun. The plot thickens! The lid inscriptions "DDPV" and "CCDB" refer to Dasher, Dancer, Prancer, Vixen, Comet, Cupid, Donner and Blitzen. "Shengdan Laoren" is Chinese for Santa Claus.
